CORPORATE PROFILE

Trustworthy Service

WHO WE ARE

Faasi International Corporation was established in 1997 with its Head Office in La Trinidad, Benguet and the Corporate Office located in the Ortigas Business Center in Pasig City. A recruitment business office (branch) is also present in the City of Manila – NCR, Philippines. The Company provides superior recruitment and consultancy services to manage the implementation of human capital to serve the needs of clients and affiliate partners in the international market. The mission of the company is to exceed the expectation of the clientele and to provide outstanding customer service, increased flexibility and greater value, thus, improving operation efficiency and excellent return on investment.

Our **TEAM** is renowned for professionalism and expertise, combined with hands-on experience to ensure each client and affiliate partner receipt of the utmost and efficient service. We are proficient in manpower recruitment and very much involved in every stage of the “professional and skilled worker selection” from recruitment towards the completion of the different processes including functional support.

Our extensive knowledge and expertise in human capital management is an accomplishment recognized under good standing and licensed to operate by the Philippine Overseas Employment Administration (**POEA**) to encompass the different criterion of the system to regulate the procedures of operation including processing of business requirements and serviceable specifications for overseas employment.

WHY FAASI?

- We provide leadership as the advisor to the Principal Employer in all matters relating to Human Resources (hiring, skills training, labor and employment relations).
- We serve as the facilitator and represent the business of the Principal Employer to the Philippine Overseas Employment ADMIN (POEA) for procedures relating to manpower recruitment and overseas employment.
- We deliver on time hiring and employment processing.
- We monitor and coordinate the progress of each individual worker in the entire duration of the contract.
- We are proactive in support of a long term business plan.

OUR STRATEGY

- To develop a “strategic plan” for each project development.
- Implement and align procedures with Principal organizations and collaborate the over all employment program.
- Enhance our knowledge of the Principal’s operating procedures and strictly adhere to management policies.
- Conduct a thorough verification and orientation of all selected applicants prior to the signing of the contract.
- On-Line monitoring system to update and upgrade the employment process flow.
